

Isolation of EVs from brain parenchyma

PD Pasquale D'Acunzo **EL** Efrat Levy

Updated date: Jan 14, 2022

 An abbreviated version of this protocol was published in Science Advances in Feb 2021

Mitovesicles are a novel population of extracellular vesicles of mitochondrial origin altered in Down syndrome

DOI: [10.1126/sciadv.abe5085](https://doi.org/10.1126/sciadv.abe5085)
